Mission Statement

Missionaries of the Precious Blood

Cincinnati Province

We, the Cincinnati Province of the Missionaries of the Precious Blood, are an apostolic community founded in 1815 by Saint Gaspar del Bufalo. We are united by a bond of charity and rooted in the spirituality of the Blood of Jesus. We are called to participate in the on-going renewal of the church and the realization of the Presence of God among ourselves and the people we serve. In our willingness to be flexible and responsive to changing needs, we fulfill our mission through:

- Supporting and nurturing one another
- Embracing a life of prayer
- Calling forth the gifts of the laity and working in collaboration with them
- Preaching and witnessing the Word of God
- Promoting conversion and reconciliation
- Pursuing justice ever mindful of the poor and marginalized

The Father Brunner Peace and Justice Fund

Originally, the Brunnerdale Tithing Fund was set up with resources derived from the sale of the Brunnerdale Properties. Grants were made for a period of five years from the Fund for Lay Ministry Projects and for Peace and Justice Proposals. The original Fund has been used up and the Missionaries of the Precious Blood have been adding to the fund to keep the process of granting awards going. Thus, the fund has a new title.

Please keep the following guidelines in mind when filling out your application form. They will be part of the criteria that will be used by the selection committee.

1. \$5,000.00 maximum for any one grant.
2. Only one grant will be accepted from any one person, member and/or location.
3. All grants will be made on a one-year basis.
4. All grants must have the sponsorship of a member of the Cincinnati Province of the Missionaries of the Precious Blood.
5. Preference will be given to the proposals in which community members are actively involved.
6. Priority will be given to proposals that provide direct service to alleviate the effects of poverty and oppression.
7. Priority will be given to proposals that have the greatest impact on the largest number of people.
